To Play:

- 1) Begin each note with the tongue as in whispering the word "too".
- 2) To play the scale, cover both holes on the back of the ocarina with the thumbs & breathe gently into the mouthpiece. Looking at the chart, progress down the scale closing one hole at a time: 8,7,6,5,4,3,2,1. The holes must be completely covered in order for the lower notes to speak.
- 3) Memorize the fingerings and scale numbers.
- 4) To play the songs on the back cover, match the numbers above the words to the fingerings on the chart.
